INDEPENDENT AUDITOR'S REPORT

To the Members of M/s. Marudhara Construction Private Limited.
Report on the Audit of the Financial Statements

Opinion

We have audited the attached financial statements of M/s. Marudhara Construction Private Limited. which comprises the balance sheet as of 31st March 2024, the statement of profit and loss & cashflow statement for the year ended the date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit/(loss), for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Shyam C Agrawal & Co.

Lamington Road, Mumbai-400 008

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (changes in equity) of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Shyam C Agrawal & Co.

Chartered Accountants
3/910-L Navjivan Society
Lamington Road, Mumbai-400 008

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most

significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

MARUDHARA CONSTRUCTION PRIVATE LTD.
Notes to the Financial Statements for the year ended 31st
March, 2024.

General Information about the Company:

M/s. Marudhara Construction Private Ltd (“the company”) was incorporated on 09.10.1997. The companies registered office is at 30, 2nd Floor, Gopal Bhuvan, Princess Street, Kalbadevi, Mumbai-400 002. It is a Private Limited company; limited by shares.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements are prepared in accordance with India Generally Accepted Accounting Principles (GAAP) under the historical cost convention on an accrual basis and in accordance with generally accepted accounting principles in India and Accounting Standards notified under Section 211(3C) of the Companies Act, 1956 read with the general circular No. 15/2013 dated 13th September 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013 and the relevant provisions thereof.

2. USE OF ESTIMATES

The preparation of the financial statements in conformity with Accounting Standards requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provision for income taxes and the useful lives of fixed assets.

3. REVENUE RECONGNITION

All Income & Expenditure are recognized as per accounting standard -9 on an accrual basis except where stated otherwise.

4. PROVISIONS

Provisions are recognized where reliable estimates can be made for probable outflow of resources to settle the present obligation as a result of the past event and the same is reviewed at each Balance Sheet date.

5. FIXED ASSETS

The company has fixed assets during the year. Fixed Assets are stated at cost less depreciation, cost includes all identifiable expenditures incurred to bring the assets to their present location and location if any.

6. DEPRECIATION AND AMORTISATION

The company has fixed assets during the year. Depreciation on fixed assets as per Part "C" of Schedule II of The Companies Act 2013 on the written down value, if any.

7. RETIREMENT BENEFITS AND OTHER EMPLOYEE BENEFITS

i) Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee has rendered services.

ii) Long-term employee benefits are recognized as an expense in the Statement of Profit and Loss of the year in which the employee has rendered services.

**PF and ESIC Scheme & Gratuity is not applicable to the company.

8. INVESTMENTS

All Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management & All the Investment are long-term in nature.

9. IMPAIRMENT OF ASSETS

Financial assets:

The Company assesses at each balance sheet date whether there is any objective evidence that a financial asset or group of financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss. The amount of loss for short-term receivables is measured as the difference between the assets carrying amount and undiscounted amount of future cash flows. Reduction, if any, is recognised in the statement of profit and loss. If at the balance sheet date there is any indication that if a previously assessed impairment loss no longer exists, the recognised impairment loss is reversed, subject to maximum of initial carrying amount of the short-term receivable.

Other than financial assets:

The Company assesses at each balance sheet date whether there is any indication that a non-financial asset including goodwill may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs to is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as

MARUDHARA CONSTRUCTION PRIVATE LTD.
Notes to the Financial Statements for the year ended 31st
March, 2024.

an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost. In respect of goodwill, the impairment loss will be reversed only when it was caused by specific external events of an exceptional nature that is not expected to recur and their effects have been reversed by subsequent external events.

10. PROVISION FOR CURRENT AND DEFERRED TAX

Income Tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations. Tax liability for domestic taxes has been computed after considering Minimum Alternate Tax (MAT). The excess tax paid under MAT provisions being over and above regular tax liability can be carried forward and set off against future tax liabilities computed under regular tax provisions. Accordingly, MAT credit has been recognized, wherever applicable on the balance sheet which can be carried forward for a period of fifteen years from the year of recognition

Deferred tax:

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to timing differences that result between the profit offered for income taxes and the profit as per the financial statements of the Company.

Deferred taxes are recognized in respect of timing differences which originate during the tax holiday period but reverse after the tax holiday period. For this purpose, reversal of timing difference is determined using first in first out method.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment/substantive enactment date.

MARUDHARA CONSTRUCTION PRIVATE LTD.
Notes to the Financial Statements for the year ended 31st
March, 2024.

Deferred tax assets on timing differences are recognized only if there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. However, deferred tax assets on the timing differences when unabsorbed depreciation and losses carried forward exist, are recognized only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax assets are reassessed for the appropriateness of their respective carrying amounts at each balance sheet date.

The Company offsets, on a year on year basis, the current and non-current tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

11. EARNINGS PER SHARE

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable, had the shares been actually issued at fair value, which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board.

12. VALUATION OF INVENTORIES

Inventories are valued at cost or net realizable value, whichever is lower, computed on a weighted average basis after providing cost of obsolescence and other anticipated losses wherever considered necessary. Cost comprises expenditure incurred in the normal course of business in bringing the inventories to their present location and condition. -The companies have no Inventory as at year ended March 2023.

13. CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A Provision is recognized if as a result of past event, the company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to

MARUDHARA CONSTRUCTION PRIVATE LTD.
Notes to the Financial Statements for the year ended 31st
March, 2024.

settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as a contingent liability. A disclosure for contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. The companies have no Contingent Liability & Contingent assets as of the year ended March 2023.

14. Previous Year's figures have been regrouped/ rearranged wherever considered necessary.
